Subject: RE: ORC staffing on an OR WQS proposal - starting this winter

Wow, that is a lot. I am sorry you were not at the OA conference last Friday. Very interesting, but all stuff you probably already know.

Also heard this morning that your meeting with NWEA went well. Let's try and touch base soon. I will see if I can get someone else to do this. Thanks.

Well, it depends if the WQS issue is time sensitive and will need legal review quickly. As you know, I'm swamped with more than 50% of my time on the CZARA FOIA litigation and document review.

We also have received Washington's latest 303(d) list which has issues.
